HOW TO WRITE YOUR BILL — delete these instructions when you start.

Write your bill's legal text in this document. Use the standard amendment marks: italic for language you are ADDING to existing law (Ctrl+I on Windows, ⌘+I on Mac), strikethrough for language you are REMOVING (Alt+Shift+5 on Windows, ⌘+Shift+X on Mac). Brand-new sections need no special formatting.

Do NOT color any text. Colors are applied automatically when your bill is published: strikethrough prints red, added language prints blue — exactly like real bills on leginfo.
