- Grand Total: **\$9,892,494.09**
- General positions on economic, social, and environmental issues (as applicable)
 - University of California
 - Focused on securing funding for the UC program and education and science in general.
 - Also advocates on issues likely to affect students and faculty, such as loan access.
 - League of California Cities (Cal Cities)
 - Primary mission is to represent the city governments in the legislature.
 - Focused on preserving and expanding local authority in the state.
 - Also advocates on policies likely to affect urban areas, such as housing and disaster preparedness.
 - California Association of Counties
 - Primary mission is to represent the county governments in the legislature.
 - Focused on preserving and expanding county government powers and securing the funding to use those powers.

- Identify constituents
 - Which regions of the state have the highest concentrations of your constituents?
 - University of California: Campuses and nearby areas, including Berkeley, Santa Cruz, Los Angeles, and San Diego.
 - League of California Cities: Urban areas, especially large ones like Los Angeles and San Francisco. These are usually coastal, but are otherwise spread out across the state.
 - California Association of Counties: All over the state.
